

# Unlocking the full suite of access and support services for your NUBEQA® (darolutamide) patients

A guide for enrolling your NUBEQA patients in Access Services by Bayer™

## Complete enrollment and PA requests quickly and easily with CoverMyMeds®

[Log in](#) to your CoverMyMeds account or visit [CoverMyMeds.com](#) and select [Create An Account](#) (not shown).

- 1 To create a new patient case, select **New Request** from the dashboard
- 2 Type “NUBEQA” in the **Medication** search bar
- 3 Enter information into the **Patient Information** and **Patient Insurance** sections, as applicable. This information will be used to locate the patient in CoverMyMeds and pre-fill forms
- 4 Select **Enroll Patient** to complete an Access Services by Bayer enrollment, which includes providing a valid, accurate NUBEQA prescription. **Important: if the patient is not present and will be providing electronic authorization, ensure the patient's email address has been entered.** A written patient authorization can also be uploaded later. Return to the dashboard
- 5 Select **Check Benefits** to complete a real-time BV and request a full BV, if desired. Return to the dashboard
- 6 Select **Start PA** to complete and submit a PA request for NUBEQA

 Enrollment in Access Services by Bayer is incomplete until the patient signs and dates an authorization form

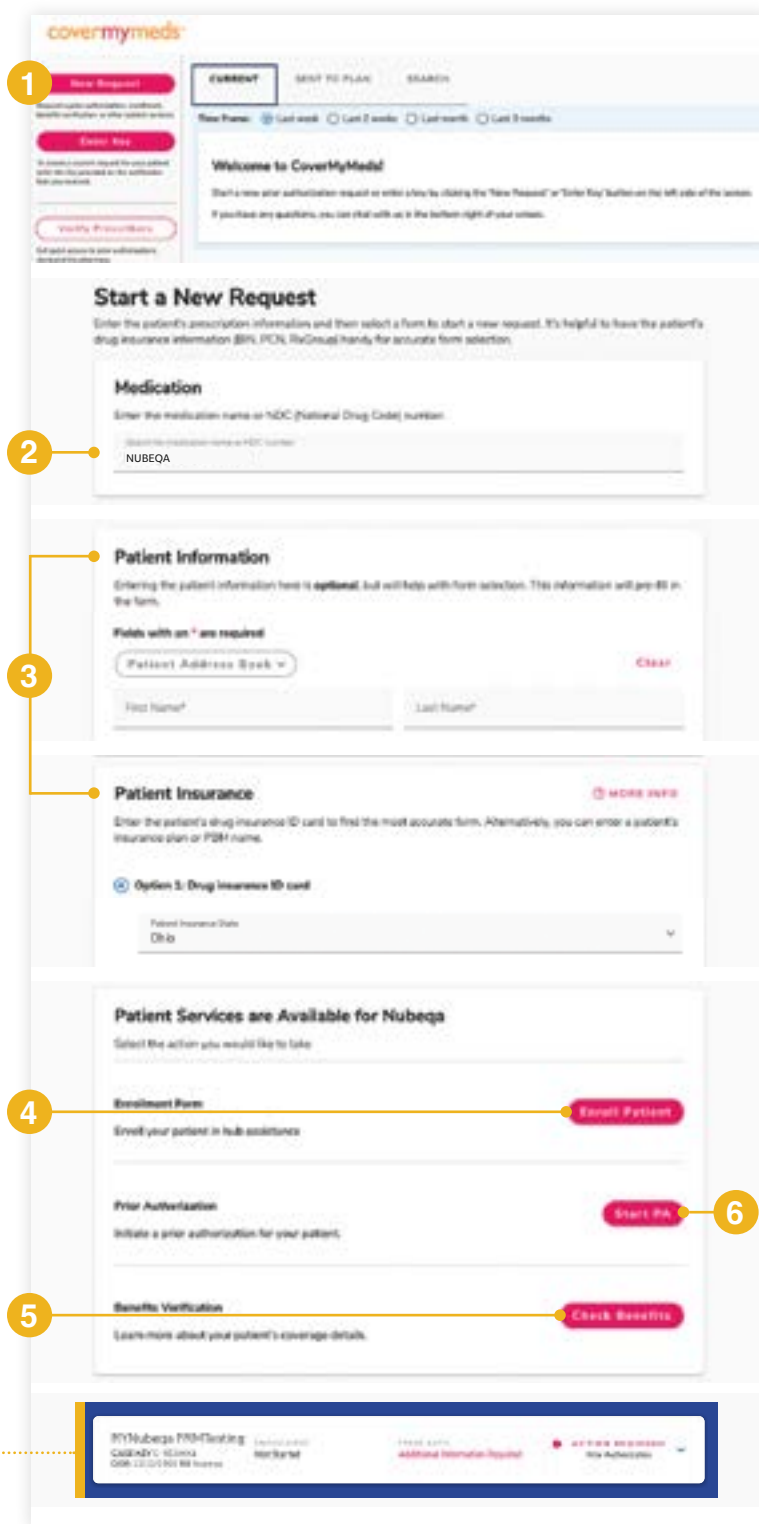

**Too busy right now? Check the CoverMyMeds dashboard for enrollment reminders.**

We understand that sometimes you may submit a PA request before completing an Enrollment Form. Check your CoverMyMeds dashboard for reminders to submit Enrollment Forms. **Enrolling patients as soon as possible helps ensure that full support is available right from the start.**

Learn more on the next page ►

Live support from CoverMyMeds is available Monday through Friday, 8 AM to 8 PM ET. Call 1-866-452-5017 or click “Chat With Support” at the bottom of the screen.

BV=benefit verification; PA=prior authorization.  
CoverMyMeds is an independent party.

The screenshot shows the 'Start a New Request' form in the CoverMyMeds interface. Numbered callouts indicate the following steps:

- 1**: 'New Request' button on the dashboard.
- 2**: 'Medication' search bar with 'NUBEQA' entered.
- 3**: 'Patient Information' and 'Patient Insurance' sections.
- 4**: 'Enroll Patient' button.
- 5**: 'Check Benefits' button.
- 6**: 'Start PA' button.

The form includes sections for Medication, Patient Information, Patient Insurance, and Patient Services are Available for Nubeqa. The bottom of the screen shows a footer with contact information and a disclaimer.
