

# Starting the NUBEQA<sup>®</sup> Free Trial Program is as easy as 1-2-3!

If you have never tried NUBEQA, you may qualify for the NUBEQA Free Trial Program and can receive your **first month for free.**

1

## Enroll in the NUBEQA Free Trial Program

- Once you and your doctor have **completed** the DUDE Access Services™ Patient Service Request Form, your doctor will fax it to DUDE Access Services

2

## Schedule delivery of your 1 free month of NUBEQA

- DUDE Access Services will call you to **schedule delivery of your free month** of NUBEQA\*
- Your delivery will include a free 30-day supply of NUBEQA and will arrive on the day you requested

3

## Continue your treatment after completing the NUBEQA Free Trial Program

- Before your free trial ends, **you will be contacted by a specialty pharmacy or your doctor's office** to plan your next delivery. The specialty pharmacy is chosen by your health insurance. PLEASE NOTE: It is important that you answer the phone when the specialty pharmacy calls to ensure you receive your next shipment of NUBEQA. It may appear as an unknown number
- From this point forward, this **specialty pharmacy will provide** your monthly delivery of NUBEQA
- Starting with your first delivery after the Free Trial Program ends, you may be responsible for **out-of-pocket costs set by your health insurance**

\*NUBEQA is a specialty drug and cannot be obtained from a regular pharmacy.

## DUDE Access Services™ offers resources and support for patients prescribed NUBEQA

If you need help paying for your NUBEQA treatment, DUDE Access Services can provide you with information about assistance with your out-of-pocket costs.

DUDE Access Services can help you with financial support through:

- The NUBEQA \$0 Co-pay Program for eligible, commercially insured patients\*
- The Bayer US Patient Assistance Foundation
- Charitable foundations

For more information, call DUDE Access Services at 1-833-337-DUDE (1-833-337-3833), Monday–Friday, 9 AM–7 PM Eastern Time.

\*The NUBEQA \$0 Co-pay Program is for commercially insured patients using NUBEQA for an approved FDA indication.
